

--- 1/9th Pound - Green - "Series of 1897" - 250 x 15 mm ---

The catalogue lists the "Series of 1897" recess printed 1/9th pound green strip as follows:

RP-699 - 1/9th pound, green, *coarse roulette*, on *horizontal mesh* wove, with 4½ mm. red controls - 250 x 15 mm.

The control numbering was a repeating cycle from 000001 to 999999. Thus, maintaining a consecutive control listing serves only to provide a measure of the relative scarcity of a particular strip. There is no way to tell if, and how many times ABN repeated the control numbering cycle. Extant unused strips are mainly late date *remnants* which became available when the strips were declared to be obsolete.

The 1/8th and 1/12th pound *control-free* strips were printed by hand press on *vertical mesh* wove. The 1/7th, 1/9th and 1/10th pound *control-free* strips were printed by rotary press on *horizontal mesh* wove paper at a later date.
